

LA November Newsletter 2024

LA Block party

Building towers with friends, we counted together and planned by shapes what when next

Tags:

B. Problem solving with materials, S. Number and counting, T. Geometry: Shapes and spatial awareness

* Please remember to keep extra, labeled, weather appropriate clothes in their bag.

*If your child sleeps better with a stuffy or other soft toy we encourage you to send one in for them to snuggle during rest time! However our stuffy's stay in our cubbies throughout the day and are put away after rest time. Also we have so many fun toys and activities around our classroom for the kids to enjoy so please leave your child's fun toys at home where they won't get misplaced, it's never fun to lose a favorite toy!

*Please label everything! All of the kids in class are around

the same shoe and clothes size so keeping everything sorted can get a little difficult, any unlabeled clothing that is unclaimed at the end of the day will be put into the lost and found!

Favorite Memory from Mr. Nathan

The Harvest Party was SO. MUCH. FUN!!!! We hammered pumpkins, trunk or treated with parents, braved spider webs, dug through hay, played with spooky noodles, launched skittles, mummy wrapped our teachers and so so much more!
